Car Seat Roundup & Recycling

Unsafe car seats are:

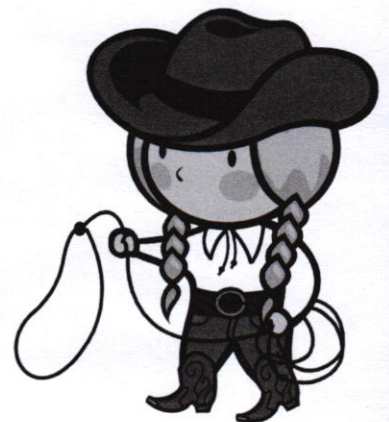

- ✓ Expired or older than six years
- ✓ In poor condition
- ✓ Have been in a crash
- ✓ Recalled
- ✓ Missing labels or parts
- ✓ Have an unknown history

Don't put your old car seats in a rummage sale! Round them up and turn them in for a chance to win \$50.

We're going green: The plastic on car seats is being recycled! Remove padding and cut off harnesses prior to drop off to help us prepare car seats for recycling.
